salary \$150.

50 percent women. Many of these mer have families and they must have bet-Winter: "As Harper says, you have some teachers in the ward school who

are getting only \$90 per month and they are better than those in the high school whom it is proposed to raise to \$100." Dr. Irvin then asked professor Crozler what the conditions were and he said: The heads of departments must be graduates of come university, holding a degree therefrom or a diploma from some reputable college. It is true, there are some teachers in the grades who are better educated than some high school assistants, but they prefer that work because it is easier than the high school

The "Insurgents."

amendment allowing a \$5 raise and vote with the 'insurgents.'" Peabody: "Make it \$140 and I will vote with the "insurgents," too." Winter: "I will make a motion that we raise them \$5 over last year, giving them \$138.23 in place of the \$133.33 they now receive with the consent of mr

second." Dorbandt said: 'You have my ten cents," and everybody voted "aye." Harper then said: "I would like a vote on my proposed amendment to salaries \$5 for the department \$138.23; A. H. Hughey, public speaking, \$138.23; Miss Isabell Kelly, Spanish, grade teachers." However, he withdrew his motion and the report was accepted as amended, upon motion of Dorbandt. The teachers elected and their salaries

#### A FEELING OF SECURITY.

You naturally feel secure when you know that the medicine you are about to take is absolutely pure and contains no harmful or habit producing drugs. Such a medicine is Dr. Kümer's Swamp-Root, the great Kidney, Liver

and Bladder Remedy, The same standard of purity, strength and excellence is maintained in every

bottle of Swamp-Root. Swamp-Root is scientifically compounded from vegetable herbs.

It is not a stimulant and is taken in tenspoonful doses. It is not recommended for everything. It is nature's great helper in reliev-

ing and overcoming kidney, liver and hladder troubles, A sworn statement of purity is with every bottle of Dr. Kilmer's Swamp-

If you need a medicine, you should have the best.

If you are already convinced that

Swamp-Root is what you need, you will find it on sale at all drug stores in bottles of two sizes, fifty-cents and one-

made preparation for teaching by pursuing normal or college courses, shall elected for this position. Respectfully be given preference over outsiders, submitted. other things being equal.
4. Graduates of the El Paso high chool without experience, who have taken regular work in the university

creditably, including work in the school f education, securing thereby a first grade certificate, shall have the same franding as a normal graduate without experience.

Any student of the El Paso high school or any other recognized high school falling to complete a high school course, who attends a state normal school thereby securing a diploma, and then applies for a position in the El Paso public schools, shall be required to serve two years as a ubstitute before being employed as a regular teacher.

Respectfully submitted, W. L. Peabody, B. M. Worsham, Internal Committee of the Ei Paso Public Schools.

Manual Training Department Secretary Harper then read the report on the manual training work as

follows: In regard to the manual training department, the internal committee recommends as follows: 1-That the following resolution be

adopted in view of the fact that in other departments of school work cer-

er branches. "Resolved by the board of trustees of the public schools of the city of El Paso, that no person We recommend that the following shall be employed as instructor teachers returning from leave of absence, be reappointed to positions in the manual training department of the El Paso public schools who does not hold a degree or diploma from some not hold a degree or diploma from some

B. M. Worsham, W. L. Peabody, Internal Committee. Discussion as to Teachers.

Worsham then said: One teacher has been eliminated in the manual training department and his salary divided among the other two, which gives them Harper then said: "I don't think Mr.

Henck should receive \$1400." the same as last year." Ross here arose and addressing the board said: "By that we would lose two of our best teachers. Mr. Arlit has left to accept a position in San Antonio and

the others will leave. They are men

and have no competition; they can make

more money at their profession." Dorbandt came to the rescue, saying: "I would like to explain, Mr. Winter, that I have gone into this matter thoroughly and the amount paid for alaries this year will be no greater than last year, on account of the resignation of one of the teachers." Winter then asked: "Can three men

do the work as well this year as four did it last year? If so there was one man not needed last year." Worsham-"Last year they were installing the department." Winter-"Then I withdraw my mo-

Teacher Elected. Peabody then stated that the matter selecting another woman teacher must be taken up, and further that Mrs. Susie Cherry Campbell had formerly taught in the schools under the name of Mrs. Cherry.

Winter then asked: "Has Mrs. Murphy a dinloma?" replied superintendent Ross. "She has one from the New York uni-

"Has Mrs. Campbell a diploma?" asked Winter. "No, but she soon will have," said Paabody. "I move that Mrs. Murphy be appoint-

"I second the motion," said Winter, and this carried, Peabody voting no and all others voting aye.

Harper then said: "I move we accept the report of the manual training de-partment." This was done by unanimous

ed" said Dorbandt.

Superintendent E. A. Ross applied for a six weeks' leave of absence in order that he might study manual training work in the north. This was granted. Worsham asked: "It has been contended by some that contracts were made with teachers whereby they would
